

We are a registered charity wholly supported by donations from guests, visitors, friends, financial partners, local organisations and some grant making trusts.

These donations make your stay here possible as without them we would not be able to continue to run the House. In order for us to be able to offer hospitality to others we ask that you may also consider making a donation towards the costs of maintaining the House for the future.

We understand that giving these amounts may not always be possible for some people and we would be happy to discuss individual circumstances.

If you are a tax payer and can sign a Gift Aid form this will greatly enhance the value of your gift at no extra expense to yourself.

A relaxed weekend for men to talk & be together with...

The Revd Peter Kenney

Peter is an Anglican priest in Newcastle Diocese where he is Adviser in Pastoral Care and Counselling and Ministry Development Officer. He is a Diploma Candidate at the Jung Institute Zurich and has a particular interest in dreams and story-telling. Peter is also a Trustee of Holy Rood House.

The Men's Spirituality Weekend has been popular for several years at Holy Rood House. Always interesting, challenging, thought-provoking and creative, there are some men who have been previously and some who arrive for the first time. In the relaxed space of Holy Rood, there is plenty of laughter, good food and drink, prayerful and creative spaces and a good sense of belonging. Rick Butler and Nick Warwick, both from the community, will be part of the team for the weekend.

From previous participants...

*"Men's Spirituality Weekend"...Words are inadequate to describe my journeying this weekend. I have travelled deep within and distance is not a relevant concept when telling of soul journeys. I can say it was a 'good' experience, beneficial at a 'gut' level. I experienced healing and didn't know what for or even that I needed it!*

*An oasis of peace and calm in a very busy world. "The Men's Room" course provided new insights, particularly for meditation and relaxation.*

*Thank you for a loving and changing men's weekend*

*I found the rest I was seeking but did not know it! I was refreshed by the fellowship and activities & learnt a lot about myself and hints at what I should do next—all in so such a small space of time.*

*'abundance' a description of the levels of love and caring I experienced here...'*
