

Holy Rood House, Thirsk,
welcomes you to
A Lenten Creative Day -
Finding our Creative Voice
Tuesday March 25th 2025
from 9.45 for 10am – 4pm

Come and enjoy a day at the peaceful centre of Holy Rood House (and Juliet House). Suitable for all abilities, Helen Warwick, a creative therapist and chaplain, will be offering ideas to help open our creativity. On this Annunciation day, when the church remembers Mary saying 'Yes' to bearing great gift for the world and bringing forth her song, we explore various ways in our large art room to find our own creative voice in our becoming. Along with quiet chapel space and other facilities including a big garden, library and comfy lounges, this will make for a special day. The day will include lunch and hot drinks and will finish with tea and cake.

Holy Rood House is a charity with a gentle Christian ethos; we are a community that offers a space for many people at their time of need. Comments from guests include '*...the house has 'held' me, the garden has cheered me and the art room has freed me from worries & responsibilities.*' '*I haven't done any creative writing for years and so really enjoyed spending time in your wonderful art room*'.

Suggested donation for the day - **£40**
